* Restart on wall 3 after 16 counts (9 o'clock)

** Restart on wall 6 after 28 counts (12 o'clock)

*** Wall 8, dance the first 5 counts and then hold for 4 counts, then continue from count 6 (3 o'clock)

Notes:

The 1st restart will bring you to the side wall, making it a 4 wall dance. The 2nd restart will bring you back to the front wall.

Please note that the 2nd restart will hear the music go slightly out of phrasing towards the restart. Just keep dancing through it as per normal; the music and steps will fall back in place when you restart.
